

CIWEM is an independent professional body and registered charity, advancing the science and practice of water and environmental management for a clean, green and sustainable world.

CIWEM enables student members to:

- Interact with environmental professionals through regional, national and international networks and events
- Attend site visits, technical meetings and social events held by local branches and groups
- Receive free and discounted publications, including peer-reviewed journals, magazine and enews
- Achieve professional development at discounted events and training courses
- Work towards chartership
- Receive discounts on medical insurance, IT software and shopping
- Access career advice and job opportunities on CIWEM's careers website
